In House Wedding DJ

At Downham Hall, we have an amazing resident DJ team to make your party a night to remember!

Our highly experienced DJs cater for every musical taste and will make sure the dance floor is as full as possible all night long.

Your DJ will work with you in the weeks leading up to your wedding to get to know you and your musical tastes. Any “must plays” (or must-nots!) will be discussed and guests can always request songs on the night too.

For the last song of the night, the DJ will gather everyone on the dance floor and give the couple a lovely send off.

The reception makes up half of your wedding day, so we always strive to make it as amazing as possible. We want you to have the night of your dreams and for your guests to remember your wedding as the best they've ever been to!
